## Education

### Lovely Professional University, Punjab

Bachelor of Technology in Computer Science and Engineering(CGPA of 7.71)

October 2020 - July 2024(expected)

Punjab, India

### Csd Inter college, palamu

2018

ISC | Class XII | Percentage 73%

Jharkhand, India

### V P M Gyan Niketan School, Daltonganj

2016

CBSE| Class X | cgpa 9.4

Jharkhand, India

## Projects

### MERN E-Commerce with Admin Panel

- Developed a feature-rich MERN e-commerce website with an admin panel, Redux Toolkit, and Stripe payment integration.
- Implemented an intuitive admin panel for managing products, orders, and user accounts.
- Implemented cloud deployment for high availability and scalability, along with email invoice functionality for seamless order management.

### Movie collection | ReactJS, JS, HTML, CSS | Live | Source Code

- Developed Login and Register interface within site for smooth navigation
- Developed a dynamic website called "Movie Box" that allows users to access movie trailers and interact with the platform.
- Integrated the YouTube API to fetch and display movie trailers directly from YouTube on the website.

## Achievements

- \* Rated **2 stars** on CodeChef
- \* Participated in Techathon organised by iNeuron
- \* participated in Flipkart Grid 4.0-software development challenge
- \* Solved **700+** problems on LeetCode and Geeks for Geeks where more than 70 percent are of medium-hard level
- \* participated in various hackathons physically as well as virtually

## Technical Skills

Languages: **C++, Python,SQL, HTML, CSS, Javascript,React js,NodeJs,MongoDB**

Tools:**Ms Excel,Tableau Desktop**

Hands On: **Windows, VSCode, Github,Git**

Courseworks: **Data Structures and Algorithms, OOPS**

## Certifications

### Data Structures and Algorithms - Self Paced

GeeksForGeeks

May 2022 - Aug 2022

Online

### Data Visualisation Using Tableau

Coursera

Mar 2023 - Jun 2023

Online

### R programming

Coursera

Mar 2023-Jun 2023

Online

## Co Curricular Interests

- \* Tech and International politics news
- \* Playing Cricket, Participated in district Open Competition 2020.
